

Leave a Little Love Along the Way.

SPRING
2027

ONE FAMILY / ONE ROAD / A LITTLE GOOD LEFT BEHIND

Not a highlight reel. A real family story.

Annalyse, Leon, Hudson and Beckham. In spring 2027, we're traveling from the southernmost point toward the northernmost point, meeting people already doing good, helping where useful and sharing their stories.

LEAVE A LITTLE LOVE ALONG THE WAY

LET'S MAKE A CHAPTER MATTER.

OUR STORY

We got tired of waiting for life to slow down.

Two parents, two little boys and a lot of "someday." So we stopped waiting until we had more to give and decided to go, together, with our hands open.
